VIGNAN'S ECCENTRIC BENEFITS

CHALKING OUT A CAREER OF CHOICE

Students at the UG level have the unique opportunity to pursue minor courses in management, humanities, sciences, and civil service training.

CAMBRIDGE CERTIFICATION PROGRAMME

Globally acclaimed English certification, the Cambridge Preliminary English Test (PET), a B1-level program, is included as part of the curriculum for I. B. Tech and BEC Certification in the III year to master LSRW skills with honing overall communication for high-end corporate jobs.

VIRTUAL LEARNING ENVIRONMENT

Vignan provides convenient options with virtually endless options to bring exposure to real world skills and promote lifelong learning by partnering with Coursera, EdX, SWAYAM, and NPTEL.

LABS & CENTER OF EXCELLENCE

Vignan has signed MoUs with MNCs for collaboration and R & D, to facilitate student and faculty exchange, and to provide hands-on industrial training to foster understanding of the latest technologies.

- **Entrepreneurship Cell** - A networking hub for aspiring entrepreneurs with 102 discussion rooms organized for entrepreneurship awareness and development initiatives
- **Financial Aid** for the start-ups, 15 startups have been supported (on those 7 students graduated and 8 incubated)

FACULTY

A unique aspect is that more than 40% of faculty members are from top-notch institutions such as IITs and NITs; the university provides training programs to all faculties. The national and international level subject matter experts are part of Our Vignan's University Research Board.
